

Businesses Investing in Our Children's Future

MBEF Business Sponsorship Program

The Manhattan Beach Education Foundation

- For over 28 years, MBEF has evolved into a critical partner with our school district providing \$4.6 million (almost 10%) of the funding for our local schools.
- As state resources shrink, MBEF donations step in to provide our students with the people and programs that make our district the 3rd highest in California.
- Our strong governing board and leaders from across the community volunteer their time to ensure that MBEF is as efficient as it is effective.

Working Together and Making a Difference

- A record number of parents and community members are working together through MBEF to overcome budget cuts and maintain our high quality schools.
- Our contributors represent an active, involved audience - 35% of Manhattan Beach residents have children in our public schools.
- Our founding partners include Chevron and Plaza El Segundo.
- Through our Business Sponsorship Program you can be associated with this groundswell of support.

Business Sponsorship Benefits

- An MBEF sponsorship associates your business with a successful local non-profit that benefits public education.
- It communicates your support of our local public schools to the community, parents, and MBEF supporters.
- The \$1.5 million we hope to raise from the business community will have a marketable impact in classrooms from kindergarten through high school.
- Our whole community is concerned with the state budget situation. Your business can be part of our local solution for education.

MBEF Mission

The Manhattan Beach Education Foundation provides a means for schools, individuals and businesses to work together to help children achieve their potential in an increasingly complex, interesting and challenging work by providing resources for a broad, engaging curriculum beyond what can be offered through public funding.

Founded in 1983, the MBEF is a California non-profit, public benefit, 501 (c) (3). All donations are tax-deductible to the full extent allowed by law.
