Enrich and Empower

# Because of You

**MBEF** The Manhattan Beach Education Foundation is a community driven fundraising organization, which supplements state funding for programs that inspire learning, enrich teaching, and promote innovation and academic excellence in the public schools of Manhattan Beach.

Dear Friends of MBEF –

When we envision the type of learning environment we want for our children, we dream of empowering and enriching their academic lives with personalized learning, hands-on opportunities in science, art, and music, strong foundations in core subjects like language arts and math, as well as inspirational opportunities for collaboration and connection. Because of you, our generous community, the Manhattan Beach Education Foundation (MBEF) is able to support the quality education that we all envision.

We invite you to learn more about MBEF's impact and the specific programs that you helped prioritize and make possible for the coming 2019-20 school year. Thanks to your generosity, MBEF will provide over \$6.5 million to our District – the largest MBEF grant ever – to deliver a vast array of programs to enrich the educational experience of our students.

Our schools and students excel because of you – the parents, business leaders, educators and neighbors who are committed to our children's education and future. We are inspired by your investment in our schools and look forward to partnering with you again for another school year.

With great appreciation,

**Dan Rogoff**  
President, MBEF

**Hilary Mahan**  
Executive Director, MBEF

**The MBEF Difference**

These numbers only begin to convey the sheer magnitude of every child's classroom experience because of your support of MBEF. Many of the programs and positions in our District would be eliminated if not for the generous support from our community.

**\$6.5  
MILLION**

MBEF funding to our schools in 2019-20

**5259**

Number of donors in 2018-19 – Parents, Businesses, Neighbors

**8%**

Percentage of total District budget that is funded by MBEF for educational programs

**\$75+  
MILLION**

MBEF's investment in our schools since 1983

**\$2.75  
MILLION**

Total Endowment contribution to our schools since 2014

**91%**

Percentage of parents and teachers who believe MBEF is extremely important to maintaining the quality of our schools

MBEF was founded by a group of parents committed to strengthening our public schools over three decades ago. At a time when school funding was at an all-time low, private donations were critical to providing a quality education for our children. Over thirty-five years later our public schools remain underfunded and MBEF continues to play a significant role in supporting — in small or large part — nearly every academic pursuit and enrichment opportunity across our seven campuses.

## THE REASON FOR MBEF

### California Funding For Education Is Inadequate

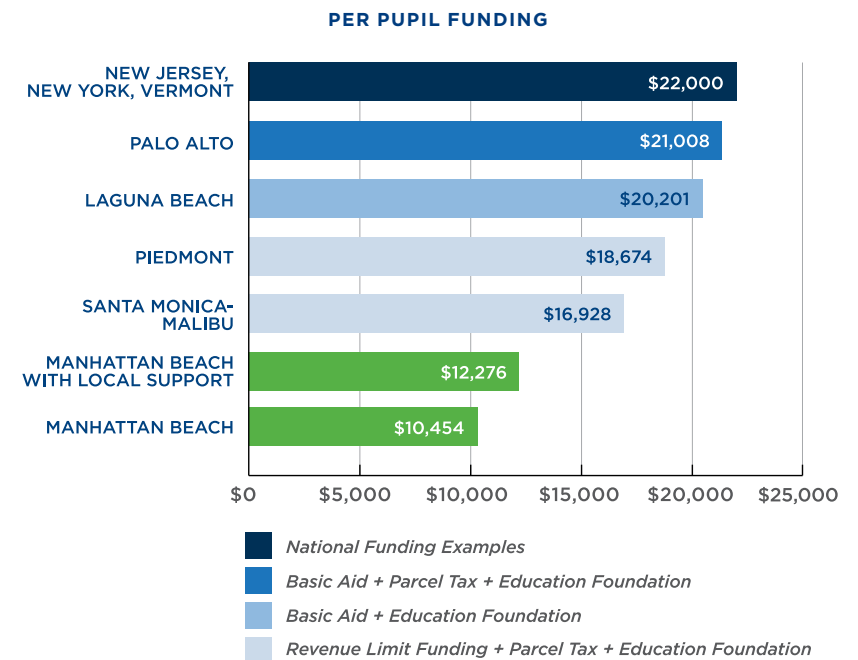

// Despite a \$20 billion increase in K-12 spending since 2011, California continues to rank among the lowest in the nation in school funding. The United States Census Bureau recently ranked California as 37th in per pupil funding when adjusted for the cost of living. MBUSD will receive roughly \$10,450 per pupil this year, putting our funding level at the BOTTOM of both the state and country.

### MBUSD is a Revenue Limit District

// Only a small portion of our property taxes in Manhattan Beach support education. The formula to allocate property tax dollars is based on spending levels in the 1970's. At that time, MBUSD was a K-8 district and allocated a small portion of property taxes to schools. As a result, MBUSD is a "Revenue Limit" district and does not retain excess property taxes. Consequently, funding for Manhattan Beach schools is actually augmented by state aid to reach the guaranteed minimum level of funding per student.

**Our Students Do Not Qualify For Supplemental Funding** // In 2013 California implemented the Local Control Funding Formula (LCFF) to provide additional resources to public school districts with higher numbers of students who qualify for the Free and Reduced Lunch Program, are English Language Learners, and/or are foster youth. While LCFF has provided additional resources for districts with greater numbers of "high need" students, education funding remains inadequate for all students. Of ALL school districts in California, MBUSD is one of the few with the LOWEST number of students who qualify for supplemental funding.

**Local Support Is Critical** // MBUSD is frequently compared to a short list of districts throughout California that have strong student outcomes. However, our per-pupil funding for education is very different from these other high performing districts. Funding from the recent parcel tax provides approximately \$2.4 million annually, which helps offset annual cost of living adjustments and pensions for teachers. Support of MBEF remains vital to continue the programs our parents expect, and our students need, to succeed.

Great Schools  
Today.  
Great Schools  
Forever.

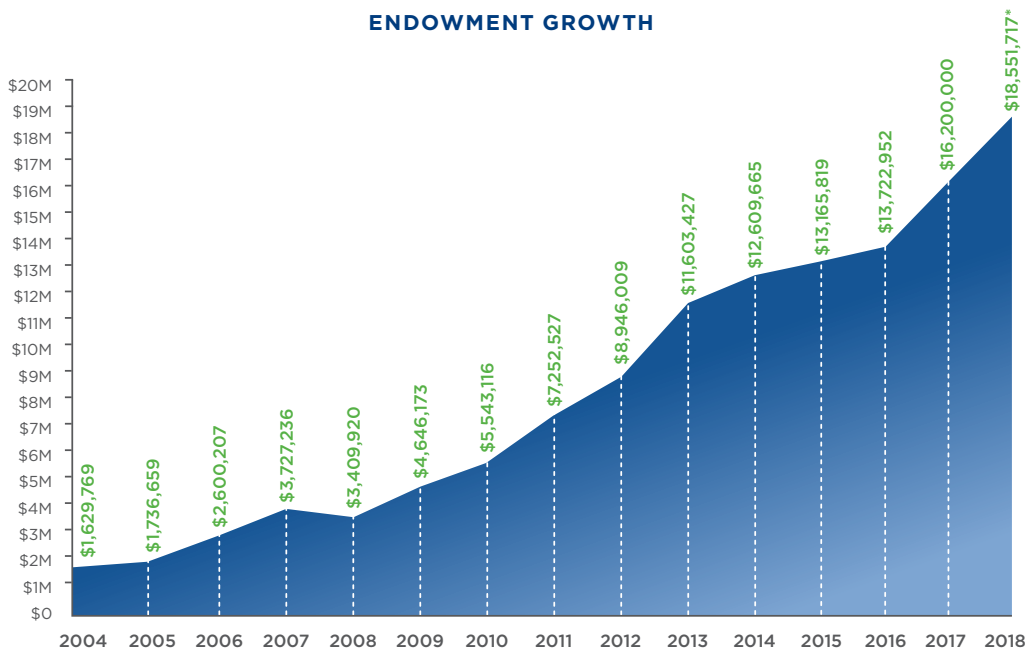

# The MBEF Endowment provides MBEF with a continuing and sustainable funding source that will expand and enhance the quality of public education in Manhattan Beach, now and for generations to come.

MBEF established the Endowment in 1986 with an initial \$10K. It took nearly three decades before the Endowment crossed the \$10M mark and made its first distribution of \$116K. It took only five years to get from \$10M to \$18M, and disburse \$2.75M to our schools during this period. When the Endowment reaches \$20M and beyond, the annual disbursement will be at least \$1M in total to our schools every year, regardless of fluctuations in the economy or priorities at the state level. Our goal is to reach a point where the annual return on investment is enough to make up for the instability of public school funding. That's the power of the Endowment.

**ENDOWMENT GROWTH**

**We are on our way!** // Parents. Grandparents. Alumni. Longtime Residents. Business Owners. New Residents. Anyone who believes in the power of an excellent public-school education and its impact on the future of our community has supported the Endowment. It is this same community that will help continue to grow the Endowment for decades to come.

## WAYS TO SUPPORT THE ENDOWMENT

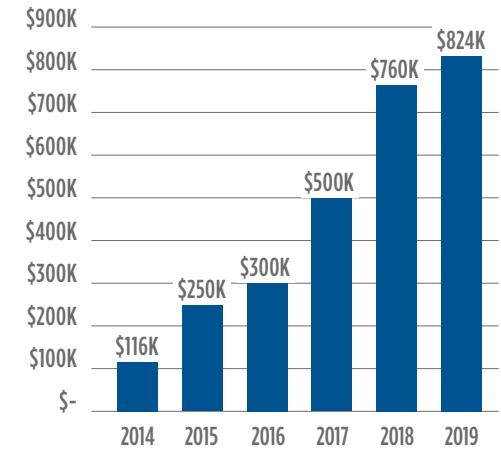

**Gifts of Cash** // The simplest way to help grow the Endowment is to write a check, or arrange for automatic monthly, quarterly or multi-year payments from your credit card. But there are many additional giving options.

**Gifts of Appreciated Stock** // If you have held stock for more than one year, and it's increased in value, you can transfer the stock to the Endowment rather than selling the stock and donating all or part of the proceeds. A transfer allows you to take full fair market value as a tax deduction without capital gains.

**Donor Advised Funds** // A donor advised fund can help you realize your philanthropic goals by combining the flexibility of a private foundation with the tax advantages of a public charity. A donor advised fund allows you to make a charitable contribution to the fund and receive an immediate tax benefit. You may contribute as frequently as you like, and recommend a grant to MBEF from the fund when you are ready.

**Gifts of Real Estate** // The tax benefits are the same as appreciated stock. Gifts can be made outright, or through an income-producing gift arrangement.

**DISBURSEMENT GROWTH**

**Planned Giving** // Planned giving enables you to maximize your charitable giving and take full advantage of income and estate tax benefits. With careful planning, a wide range of gift planning choices presents practical options for safeguarding your financial security, realizing tax advantages and contributing to MBEF's financial well-being. As you consider your options, we strongly recommend that you work with a qualified independent financial advisor, as well as legal counsel.

**READY TO CONTRIBUTE?**

Please visit [www.endowment.mbef.org](http://www.endowment.mbef.org) or call us at 310.303.3342.

2019-2020

## OVER \$6.5 MILLION IN GRANTS

### Class Size Reduction // \$1,695,000

- Class Size Reduction – English/Humanities and Math (6-9)
- Middle School Electives (6-8)
- Zero Period Classes (9-12)

### Counseling & Student Support // \$1,493,000

- College and Career Counselors (9-12)
- Elementary Assistant Principal (K-5)
- Licensed Clinical Social Worker (K-12)
- Middle School Assistant Principal – Student Life (6-8)
- Middle School Empathy and Inclusion Program (7)
- School Counselors (6-12)
- Social Inclusion Grants (K-12)

### Music & the Arts // \$583,000

- Music Instruction (1-12)
- Visual Arts (4-5)

### Physical Education (1-5) // \$479,000

### Reading, Writing & Libraries // \$991,000

- Library Specialists (K-12)
- Literacy and Writing TOSA (K-12)
- Reading Specialists (K-5)

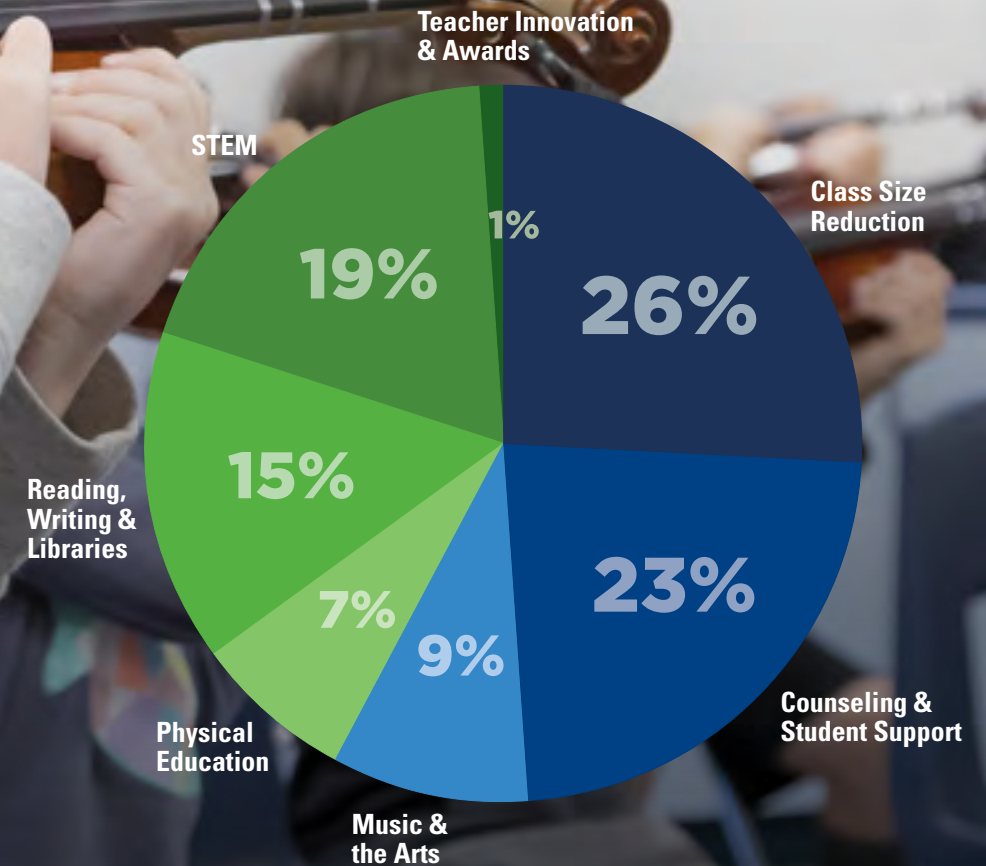

### STEM // \$1,213,532

- Instructional Technology TOSA (K-5)
- MakerSpace Instructional Assistants (K-5)
- Math Program Support – MWA Paddle Raise (K-12)
- Math TOSA – Elementary (K-6)
- Math TOSA – Secondary (7-12)
- Science Teacher Leader – Secondary (6-12)
- Science Lab Assistant (9-12)
- Science Specialists (K-5)
- STEM Based Electives (6-8)

### Teacher Innovation & Awards // \$54,500

- Teacher of the Year Awards (K-12)
- Teachers Driving Innovation Grants (K-12)

**A Foundation For Excellence** // In the 2019-20 school year, donations to MBEF will support a vast array of programs that enrich the educational experience of every child, every day. MBEF's investment ensures that our students have access to a strong, well-rounded academic program with enrichment opportunities in STEM, Music & the Arts, Physical Education, and Reading, Writing & Libraries. Our students also benefit from access to more personalized learning in smaller classes and extensive support and counseling services.

## ABOUT OUR GRANTS

### **Class Size Reduction // 26%**

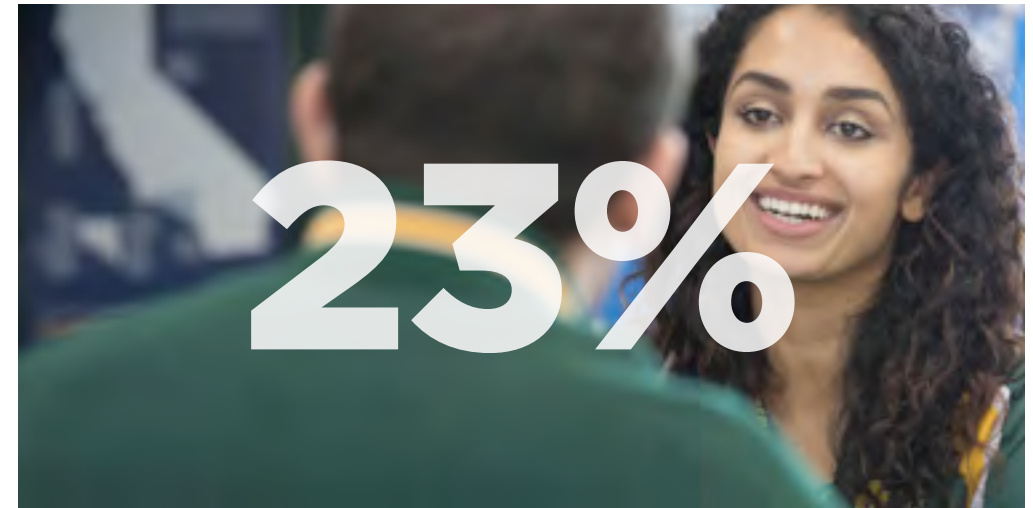

Few educational practices have the potential for greater impact than learning in a classroom with fewer students. Both parents and teachers consistently prioritize the importance of Class Size Reduction (CSR). While MBEF would like to fund smaller class sizes in all grade levels and subjects, a significant increase in donations would be required to make this viable. MBEF dedicates over a quarter of overall funding towards programs to support CSR.

**Class Size Reduction (6-9)** This year MBEF will direct CSR funding towards reducing class size in English/Humanities and Math classes in grades

6-9. The transition to middle and high school can be challenging and providing more space for personalized learning in core subjects ensures our students have the support they need.

**Middle School Electives (6-8)** The enhanced elective program at MBMS offers middle school students a range of electives, including Computer Application, Visual Arts, Film, Yearbook and Drama.

**Zero Period Electives (9-12)** This grant enables Mira Costa students to add an additional period so they can fulfill course requirements and benefit from additional elective courses. More than 25% of MCHS students take advantage of an additional period each day.

### **Counseling & Student Support //**

**23%** Levels of stress, anxiety and depression at schools throughout the country with similar demographics have increased at an unprecedented rate. A dramatic increase in mental health concerns with our students has led us to target a significant portion of our funding towards districtwide social emotional wellness.

**College and Career Counselors (9-12)** MBEF funds the experts in the MCHS College and Career Center devoted to coaching our high school students and helping them navigate the college application process and post-graduation pathways. This program is an essential part of helping our students make the right personal choice for their next step upon graduation.

**Elementary Assistant Principal (K-5)** Grand View and Pacific Elementary have nearly 40% more students and teachers than the other three elementary schools in the District. In keeping with our goal of parity among schools, MBEF funds a shared Assistant Principal to increase the capacity of the Principals at both sites to better

meet the academic and social emotional needs of all students at both sites.

**Licensed Clinical Social Worker (K-12)** MBEF recognizes the need for an increase in support for our students' social emotional wellness and will fund a Licensed Clinical Social Worker (LCSW) for the 2019-20 academic year. The LCSW will centralize districtwide prevention and intervention efforts to support student mental health and well-being, as well as help lead MBUSD's Crisis Response Team and risk assessment process. The new role will also significantly increase counseling support for our students in grades K-12 through the coordination and supervision of qualified interns.

**MBMS Assistant Principal – Student Life (6-8)** The Assistant Principal is focused on student life and parent engagement to meet the varying needs of our student body. The coordination of a Social and Emotional Wellness Committee, parent education workshops, professional development focused on growth mindset and brain development, and student and teacher

sessions focused on creating a more inclusive learning environment, help to better meet the diverse needs of our students at a critical transition in their lives.

**MBMS Empathy and Inclusion Program (7)**

MBMS is committed to developing a climate of care where students feel safe and respected. As part of that commitment, seventh grade students are invited to tour the Museum of Tolerance and explore themes such as the power of words, lessons from history, and moving from bystander to ally. These themes are supported with additional campus and classroom activities by MBMS administration and teachers.

**Social Inclusion Grants (K-12)** Students and educators throughout the District are encouraged to apply for small grants for programs that celebrate our differences and create a welcoming environment for all students.

**School Counselors (6-12)** Counselors foster a sense of connection on campus and play an essential role for students in academic guidance and life planning. While districts throughout the state have increased their student to counselor

ratio, MBEF's investment has kept our ratios reasonable, ensuring time to work with students on time management, prioritization, organization, as well as monitor student progress.

**Music & the Arts // 9%**

**Music (1-12)** Music, math, language and science achievement go hand-in-hand. MBEF funds 48% of music instruction 1-12, and as a result, the music program at MBUSD has flourished. All students in grades 1-5 receive weekly music instruction, which forms the foundation for our award-winning middle and high school programs.

**Visual Arts (4-5)** Thanks to directed donations at the 2018 Manhattan Wine Auction, MBEF funds a credentialed teacher to bring a comprehensive visual arts program structured around California's content standards to the classrooms. The Manhattan Beach Visual Arts program helps prepare students for the comprehensive visual art options available through electives at our secondary schools and complements the volunteer-based Young at Art program.

**Physical Education (1-5) // 7%**

MBEF is proud to support credentialed physical education teachers at our elementary schools to provide high-quality physical education and sportsmanship instruction each week. In addition to the physical health benefits, research shows that physical activity can help children improve their concentration, memory, and classroom behavior.

**Reading, Writing & Libraries // 15%**

We have made significant shifts in the way we teach writing and literacy in our schools. The introduction of Reading and Writing Workshop in our classrooms set the stage for the instructional shifts in all other academic areas.

**Library Specialists (K-12)** Having access to a school library and knowing how to find their way around provides endless discoveries for students.

MBEF supports library specialists at each school site to teach students research and media literacy skills to help them leverage resources in all grade levels and foster a passion for reading, learning and research that will serve them throughout their lives.

**Literacy and Writing TOSA (K-12)** The teacher on special assignment leads continuous improvement efforts throughout the District in literacy and writing. With the introduction of cutting-edge practices, the teacher educator strives to ensure that all curriculum keeps pace with the changing world.

**Reading Specialists (K-5)** Reading competency and comprehension ensures our students are on the right track for learning. This grant funds five credentialed teachers who work with students to increase reading proficiency on the entire reading spectrum.

### **STEM: Science, Technology, Engineering And Math // 19%**

If our students are to compete and thrive in today's global economy, we must provide a solid, hands-on foundation in STEM education. Confidence in math and science not only supports STEM-related fields, but also helps develop the ability to think critically and to be innovative.

**Instructional Technology TOSA (K-5)** As the interest and need for STEM curriculum continues, this grant allows for a Teacher on Special Assignment (TOSA) dedicated to helping the District integrate innovative teaching and learning tools, such as MakerSpace, at all elementary sites. The TOSA also helps incorporate technology and other innovative tools into the elementary classroom.

### **MakerSpace Instructional Assistants (K-5)**

The unique MakerSpace environments throughout our elementary schools provide innovative lab experiences for our students in grades K-5. Empowering students to learn problem-solving skills through trial and error and see themselves as inventors, helps develop students' ability to think creatively to visualize solutions. MBEF funds MakerSpace Instructional Assistants who support program implementation by preparing materials, facilitating lessons, and organizing the Maker Labs.

**Mathematics TOSA (K-6)** Our TOSAs have historically provided specialized coaching in academic areas that require more attention and growth, such as literacy, science, technology and 21st Century Teaching and Learning. The Math TOSA will help strengthen Common Core instruction while also helping to bridge curriculum from the elementary to secondary levels.

**Mathematics TOSA (7-12)** In an effort to strengthen math instruction and outcomes districtwide, MBEF will fund a Teacher on Special Assignment (TOSA) to lead the effort at the secondary level. This TOSA will collaborate on best practices in Common Core instruction with teachers across the mathematics departments at the middle and high school levels.

**Next Generation Science Standards Teacher-Leader (6-12)** MBEF supports a teacher leader in science at the secondary level to lead the implementation of the Next Generation Science Standards (NGSS) in the classroom. With one teacher-leader between the middle and high schools, we can ensure that there is collaboration on all science curriculum between the schools.

**Science Lab Assistant (9-12)** The Science Lab Assistant at MCHS supports science teachers by preparing materials and resources to make lab instruction organized, efficient and innovative.

**Science Specialists (K-5)** This grant supports a credentialed science teacher at each elementary school to provide all students with hands-on lab experience and project-based learning opportunities that strengthen students' passion for science.

**STEM Based Electives (6-8)** MBEF supports additional units of STEM at the middle school, as well as additional course options in the STEM field to meet the needs of MBMS students.

### **Teacher Innovation & Awards // 1%**

**Teacher Innovation Grants (K-12)** MBEF supports the Teachers Driving Innovation (TDI) Grant Program for teachers and counselors throughout our District. Each TDI grant provides our educators with an opportunity to exercise their passion for teaching, develop ideas, collaborate with colleagues, and connect with the wealth of knowledge, expertise and talent within MBUSD.

**Teacher of the Year Awards (K-12)** Each year MBUSD recognizes one teacher from each school as the Teacher of the Year, and one of those teachers is selected as the districtwide Teacher of the Year. With this grant, made possible by an endowment fund sponsored by the Nickell Family, all of MBUSD's seven Teachers of the Year receive a monetary reward.

## GRANT MAKING GUIDELINES

Each year MBEF's Board of Directors works with District Leadership, School Principals, and educators to identify programs that are most aligned with parent and teacher priorities, and MBEF's mission. MBEF strives to invest in programs that:

- Strengthen schools from kindergarten to graduation
- Support academic excellence and personal growth
- Reach as many students as possible
- Maintain parity among all elementary schools
- Provide innovation in teaching and learning
- Align with the priorities of parents, teachers, and District goals

To ensure continuity in our schools, the vast majority of our funding is committed to continuing successful grants and teaching positions year after year. As a community-driven organization, MBEF uses multiple measures to ensure the programs we fund meet our grant making

guidelines by surveying our stakeholders biennially, meeting with school Principals and District Leaders, and corresponding with stakeholders via phone calls, emails and meetings throughout the year.

The MBEF Grants Committee, comprised of at least 8 MBEF Board Members from all school sites, holds multiple meetings, including several with the Superintendent and Assistant Superintendent of Educational Services. Once proposed grants are finalized, they are presented to the MBEF Board of Directors for approval.

Our priority is to ensure that the funds we grant are appropriately and effectively used by the District. We do not make decisions on how programs are implemented or get involved in hiring or managing District employees. This separation helps maintain the autonomy of the District and School Board of Trustees, and strengthens MBEF's voice when advocating for programming that reaches all students.

## OUR SCHOOLS

Despite limited funding from the state, our District's outcomes speak for themselves. MBUSD is among the top K-12 school districts statewide and our students benefit from a rich and diverse curriculum. Within our seven elementary, middle and high school campuses, we host LA County and California Teachers of the Year, award-winning Model UN, Robotics and Theater programs, a Grammy award-winning Mira Costa Music program, Distinguished, Gold, Blue, and Green Ribbon Schools...the list goes on. Most importantly, 96% of our students graduate high school and continue to thrive in post-secondary training or the college right for them. Our students excel because we have an engaged community that is willing to invest in our children's education and future.

Mira Costa is ranked in the top 1% of U.S. Public High Schools by Newsweek and US News and World Report.

# MIRA COSTA HIGH SCHOOL

## Class of 2019

2019 Mira Costa grads are attending over 160 colleges and universities in 39 states and 5 countries, as well as pursuing other vocational or service pathways. MCHS College and Career Counselors are fully funded by donations to MBEF.

“ I like school because I love learning – my favorite is Writer’s Workshop and writing stories about the things I do. It’s fun to write about my memories. ”

Max Rubinstein  
Class of 2030

## MATCHING GIFT CONTRIBUTIONS

Through the generosity of corporate matching gift programs, MBEF raised a record high of \$390,000 during the 2018-2019 Annual Appeal. An estimated \$4-\$7 billion in matching gift funds go unclaimed per year in the United States. With less than 9% of MBEF donors currently providing matching gifts, the potential for growth is exponential.

### FIND OUT IF YOUR COMPANY MATCHES

We encourage you to check with your corporate giving or human resources department to find out if your employer participates in a corporate giving program. You can visit the MBEF website for more information at [mbef.org/givetoday/matching-gift-program/](http://mbef.org/givetoday/matching-gift-program/).

### MBEF would like to express our gratitude to the following employers for supporting the organizations and causes their employees believe in.

## COMMUNITY PARTNERS

Manhattan Beach is among the best places in the country to live, work and learn because of the incredible support we receive from our local businesses. When businesses invest in our schools through MBEF, they make our community better for everyone. Please support these businesses to thank them for their contribution to our community and our schools.

## COMMUNITY EVENTS

The 10th Annual **Skechers Pier to Pier Friendship Walk** was held on October 28, 2018 in support of our local schools and children with special needs. It was a record-breaking year with 14,000 participants raising over \$2 million dollars, of which \$175,000 came directly to MBEF. We are so grateful to SKECHERS President Michael Greenberg, Executive Director Robin Curren, and everyone at SKECHERS and the Friendship Foundation, as well as the many students and parents who participated and volunteered. Year after year, the SKECHERS Pier to Pier Friendship Walk is an event to remember that has a huge impact on our community schools.

The third annual **Manhattan Beach Fall Classic Golf Tournament** benefitting MBEF was a tremendous success, netting almost \$40,000 for MBEF and our schools. Held at the Virginia Country Club in October each year, the Fall Classic is a fun-filled day of world-class golf and friendly competition — all in support of our students and our schools. Thank you to the 2018 Fall Classic Presenting Sponsors, the Borzi Family Foundation, Cause Events, Highridge Costa Companies, and Jim Schlager and Moss Adams Wealth Advisors. Tremendous thanks to Event Chair Todd Klavin, Event Producer Moon Tide Media, and Event Host Virginia Country Club for their incredible support, generosity and partnership.

The annual **Grand View Gator Run** is a wonderful community tradition that has brought together serious runners, joyful joggers, laid-back walkers, and kids of all ages for over two decades. The 24th Annual Exer Urgent Care Grand View Gator 5K benefitting MBEF was held on May 4th with over 650 runners participating. Thank you to the Grand View Elementary PTA for their generosity in donating the sponsorship proceeds to support all of our community schools. We are grateful to all of the participating sponsors for their support.

# Manhattan Wine Auction

Because of you — our generous and committed community of donors and volunteers — this year's Wine Auction raised over \$1.2 MILLION for the MBEF Endowment, the Math Challenge and the Manhattan Beach Public Schools.

**Thank you to the following individuals and businesses for supporting the 25th Anniversary of the Manhattan Wine Auction!**

**Special thanks to the Bay Club for generously hosting and underwriting this event.**

#### PADDLE RAISE DONORS

During the Paddle Raise at the 2019 Wine Auction, our community raised \$208,000 to support the Math Challenge. Preparing our students for today's global economy means providing a solid foundation in math — one that promotes strategic critical thinking and creative problem-solving. This important initiative will support efforts that will strengthen the math program over the next few years by focusing on improving the in-class experience through student-driven curriculum and tasks, offering enrichment activities like math clubs and events, providing personalized support with regular assessments and intervention, and data-backed evaluation of our challenges and successes. We are grateful to all who participated!

## THE RESULTS

MBEF is instrumental in the future success of our students and our schools. As state resources remain inadequate, MBEF helps sustain the programs that provide our students with exceptional educational opportunities. This year MBEF will grant \$6.5 million to our schools — our community's generosity makes this possible through a variety of funding sources that all add up to strengthen our schools.

The MBEF Board of Directors and staff ensure the efficient stewardship of donor funds to maximize the grants to MBUSD schools. MBEF undergoes a full audit each year and maintains an Audit Committee comprised of MBEF board members and independent finance professionals who review the financials annually. Please see our website for the latest audited financial statement. MBEF is proud to be among the leading group of organizations that have attained a 4-star rating from Charity Navigator.

All donations to MBEF and the MBEF Endowment are tax deductible to the extent allowed by law. For more information, please visit [www.mbef.org](http://www.mbef.org) or contact our team at 310-303-3342.

## 2019-2020 BOARD OF DIRECTORS

### MBEF BOARD OF DIRECTORS

**Dan Rogoff**  
President

**Michelle McDonald**  
Vice President

**Kate Bergin**  
Secretary

**Scott Rosenthal**  
Treasurer

**David Adishian**

**Anna Bargagliotti**

**Michael Brunick**

**Loralei Chao**

**Michelle Cormack**

**Bonnie Darrow**

**Heather de Roos**

**Jim Dillavou**

**Mike Duckworth**

**Katie Gunther**

**Joy Higa**

**Michael Husson**

**Ted Iantuono**

**Marija Kosanovich**

**Alice Kuo**

**Erin Levin**

**Dana Lupton**

**Keith Lupton**

**Emily Macias**

**Mitchell Ozawa**

**Kathleen Paralusz**
