AS OUR ENDOWMENT
GROWS, SO DOES THE
POTENTIAL OF OUR
STUDENTS -- TODAY'S
AND TOMORROW'S

When we drop our kids off at school or greet them when they come home, it often seems as if everything is perfect. But the truth is, there has never been a more uncertain time for school budgets in California. In fact, 20 percent of the districts in the state cannot meet payroll after next year and another daunting cut is looming if proposed tax measures fail in November. The only way we can ensure that our education system stays top notch is to concentrate on current needs and simultaneously focus on the future. Currently our Endowment stands at \$8 million, and when we reach \$10 million we can use a portion of the return on investment towards our annual grants.

Among the thousands of generous community members whose names don these pages, a few stand out from the crowd. We cannot even begin to describe how grateful we are to our MBEF Endowment contributors:

KEEP OUR SCHOOLS
NOTHING SHORT OF
OUTSTANDING.

This year MBEF's largest fundraising event, The Manhattan Wine Auction, raised over \$775,000 for our schools. We all know learning can be fun, and this popular event proves raising money for learning can be fun, too. Cheers to everyone who made the event a success!
