# Every Child. Every Day.

In the 2015/16 school year, nearly 4,000 families, businesses and community members made generous donations to MBEF in support of our children and our schools. This extraordinary group of donors are committed to providing **every child** in our community with exceptional educational opportunities, **every day**. YOU, our parents, business leaders, educators and community members, are critical partners in ensuring that our children will continue to benefit from programs that inspire learning, enrich teaching, and promote innovation and academic excellence.

The funding our District receives from the state is simply not enough. Throughout the country, counties are empowered to decide how much funding to invest in their local education systems. In California, per-pupil funding is determined at the state level. All schools receive base funding on a per pupil basis, and districts with higher need students receive additional support. As a result, in 2015/16 MBUSD received roughly \$7,500 per pupil, which put our funding level at the bottom of the state and the country.

With an investment of more than \$5.8M from our community, MBEF is able to increase per student spending by nearly 9%. Our outcomes speak for themselves. MBUSD is among the top K-12 school districts statewide and our students gain access to a rich and diverse curriculum. We host California Teachers of the Year (2014 and 2015), award-winning Model UN, Broadcast Journalism and Theater programs, Grammy award-winning Mira Costa Music program, Distinguished, Gold, Blue, and Green Ribbon Schools...the list goes on.

There is no question that our schools and our students excel because we have an engaged community that is willing to invest time and money into our children’s education and future. **None of this would be possible without the generosity, time and commitment of all community stakeholders.**

We invite you to read this Annual Report and learn more about the programs MBEF funds — the programs that YOU help prioritize and make possible. Our work together continues, year after year, as we strive to enrich and empower every child in our district, every day.

**Thank you for your partnership!**

# MBEF BY THE NUMBERS

<b>\$5.8 Million</b>	MBEF funding to our schools in 2016/17
<b>6,865</b>	Students that benefit from programs funded by MBEF. <b>Every Child. Every Day.</b>
<b>71%</b>	Percentage of donations that comes from parents
<b>TOP 1%</b>	Mira Costa is ranked in the top 1% of U.S. public high schools by Newsweek and US News and World Report
<b>70</b>	MBEF pays for 70 educators in grades K-12
<b>220</b>	61% of MBUSD teachers received Professional Development funded by MBEF in 2015/16

Every child is touched every day by the programs MBEF funds. Many of our District’s programs and positions would be eliminated if not for your investment, and the generous support of our community.

# PUBLIC SCHOOL: WHY PRIVATE DONATIONS?

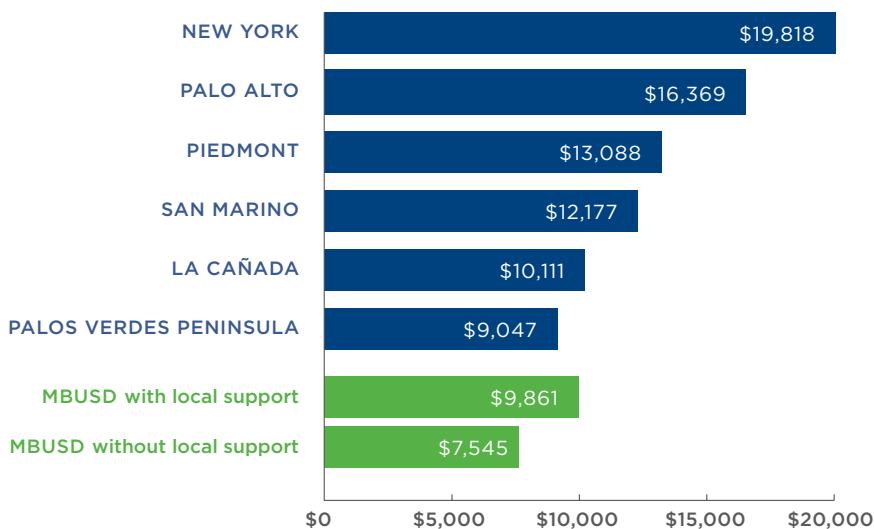

## CALIFORNIA SCHOOL FINANCE 101

Throughout the country, counties decide how much funding to invest in their local schools. In California, per-pupil funding is determined by the state legislature.

The state collects taxes and determines a base level of funding per student. With the introduction of Local Control Funding Formula (LCFF) in 2013, the state also provides supplemental funding for high-need students. While the goal of this legislation is praise-worthy — to give students who require more resources more funding — **education funding in California remains inadequate for all students.**

California spends less money per student than almost every other state and nearly three times less than the most generous states. Throughout California districts like ours supplement state funding with parcel and utility taxes and education foundations. In 2015/16 MBUSD received \$7,500 per pupil, which put us at the bottom of the state and the country in per pupil funding.

### PER PUPIL FUNDING - 2014/15

*Includes Parcel Tax and Education Foundation Funding*

**Only a small portion of our property taxes, high as they are, supports education.**

The formula to allocate property tax dollars for education is based on education spending levels in 1972. At that time, MBUSD was a K-8 district and spent a small share of property taxes on our schools — roughly 20%. Proposition 13 passed in 1978 and limited the sum of all property taxes to 1% of the assessed property value. As a result, most of the revenue for our schools comes from fluctuating funding sources, such as sales tax, business and personal income tax, **not property tax**.

**MANHATTAN BEACH HAS NO PARCEL TAX FOR SCHOOLS**

MBUSD is the only top-ranked school district in California without a parcel tax to supplement state funding. Parcel taxes are generally a flat tax assessed per parcel, to increase revenue for ongoing expenses at a District’s discretion. Prop 13 requires a two-thirds supermajority in local elections to implement such taxes. All of the school districts listed below also have Education Foundations that provide anywhere from \$1M-\$6M of funding each year, in addition to their parcel tax revenue.

	Annual Parcel Tax Amount	Annual Parcel Tax Revenue	% of District Budget
LA CAÑADA	\$450	\$2,700,000	7%
MANHATTAN BEACH	\$0	\$0	0%
PALO ALTO	\$758	\$15,000,000	8%
PALOS VERDES	\$374	\$7,501,869	7%
PIEDMONT	\$2,406	\$9,600,000	28%
SAN MARINO	\$865	\$4,000,000	11%

California ranks 42nd in the nation in per pupil funding, so the fact that MBUSD receives substantially less than most districts in the state speaks to the need to raise additional funds. With an investment of \$5.8M from our community, MBEF begins to bridge the gap.

# MBEF SURVEY: DATA-BACKED DECISIONS

## PARENT AND TEACHER PRIORITIES

As a community-driven organization, MBEF strives to ensure our grants are reflective of parent and teacher priorities. We welcome feedback and regularly survey our stakeholders to help determine our strategic direction and funding priorities. This year 35% of parents and 70% of K-12 teachers responded to the MBEF Survey.

Almost 90% of parents and teachers who responded to the survey believe that MBEF funding is “Extremely Important” to maintaining the quality of MBUSD public schools.

## RESPONDING TO COMMUNITY PRIORITIES

Of the survey respondents, **91%** were either somewhat or very satisfied with the programs MBEF supports. While the number of satisfied supporters is encouraging, MBEF is limited in its funding to meet the needs of every stakeholder.

In determining the grants for the 2016/17 school year, MBEF's 33-member Board of Directors identified programs that are most aligned with the priorities of parents and teachers revealed in the survey. Some of these priorities require significantly more funding than MBEF can provide based on last year's fundraising. For example, "4th and 5th Grade Class Size Reduction" was a high priority for parents and teachers. However, the recurring cost of this shift would be upward of \$1 million per year. We did not raise sufficient funding to support this priority at this time.

In an effort to increase our fundraising potential, MBEF's Board of Directors recently modified our Giving Policy to allow for Donor-Directed Gifts for purpose-restricted programs. District leadership must approve the proposed program, and all Directed Gifts must adhere to a set of guiding policies and principles to ensure they are aligned with MBEF's commitment to parity and consistency across the District. In 2015/16 MBEF

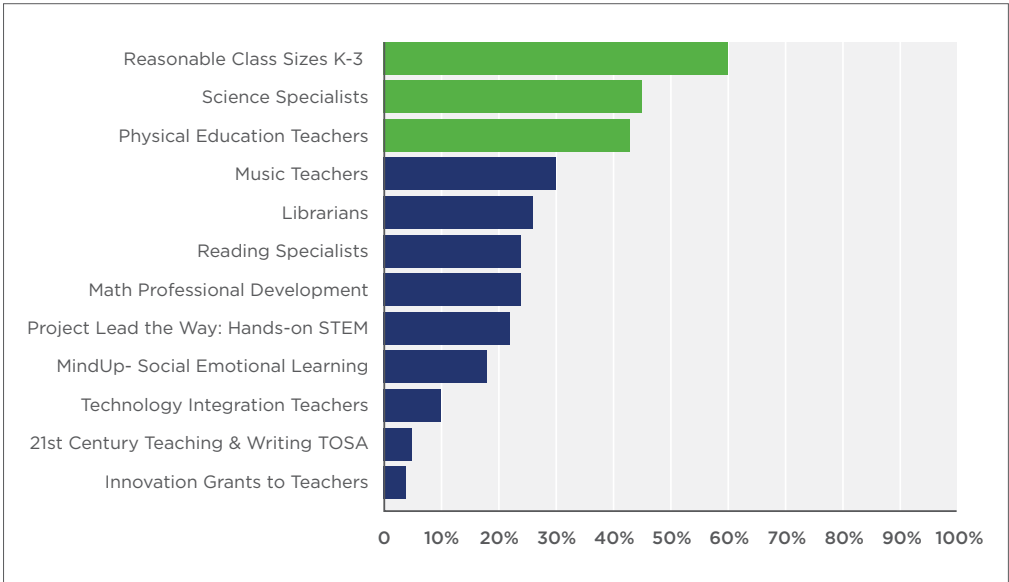

partnered with the Clinton Family to initiate the Social Inclusion Grants listed on page 10, the Nickell Family to support Teacher of the Year Stipends on page 12, and Chevron to expand Teachers Driving Innovation Grants on page 10.

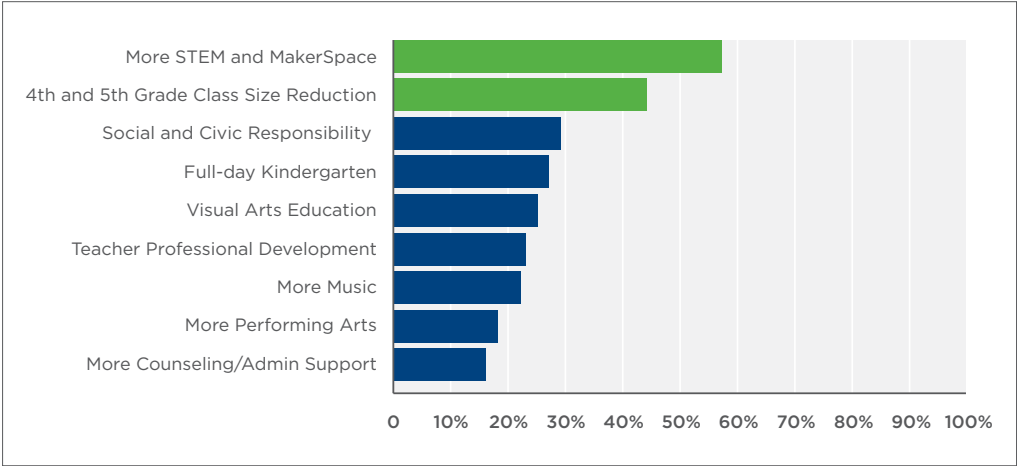

MBEF will never stop striving to strengthen our schools, and dreaming of what more is possible. It is our hope that through generous support of the Directed Giving Program, our District will reach even greater heights in the years to come.

## ELEMENTARY PRIORITIES

Both parents and teachers in grades K-5 responded that Reasonable Class Size, Science Specialists, and Physical Education are the most important elementary programs funded by MBEF.

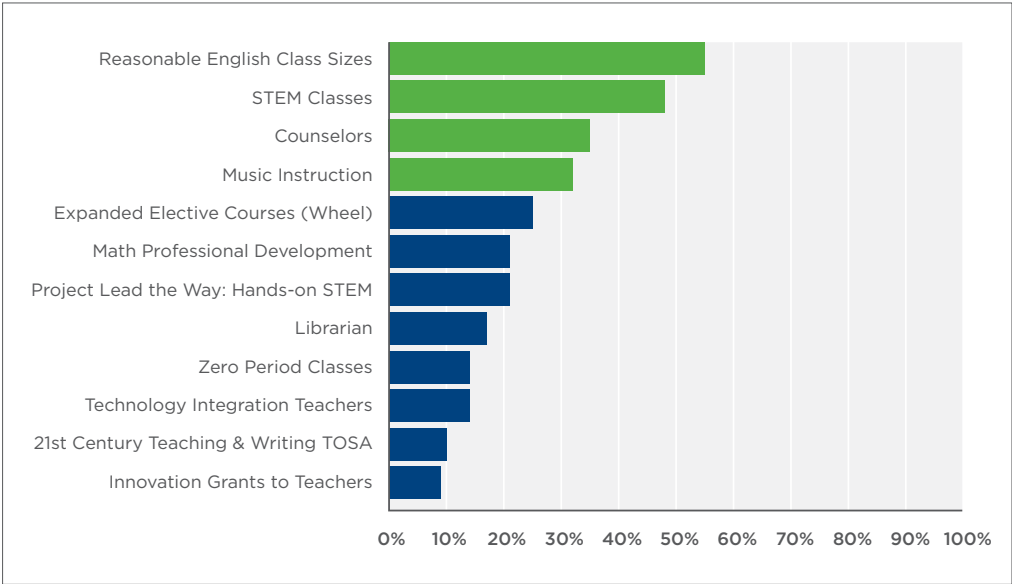

When asked what new programming K-5 stakeholders would like MBEF to focus on, 57% of parents and teachers said that STEM and MakerSpace was their highest priority, followed by 4th and 5th Grade Class Size Reduction (44%). All other funding possibilities were prioritized by less than 30% of parents and teachers.

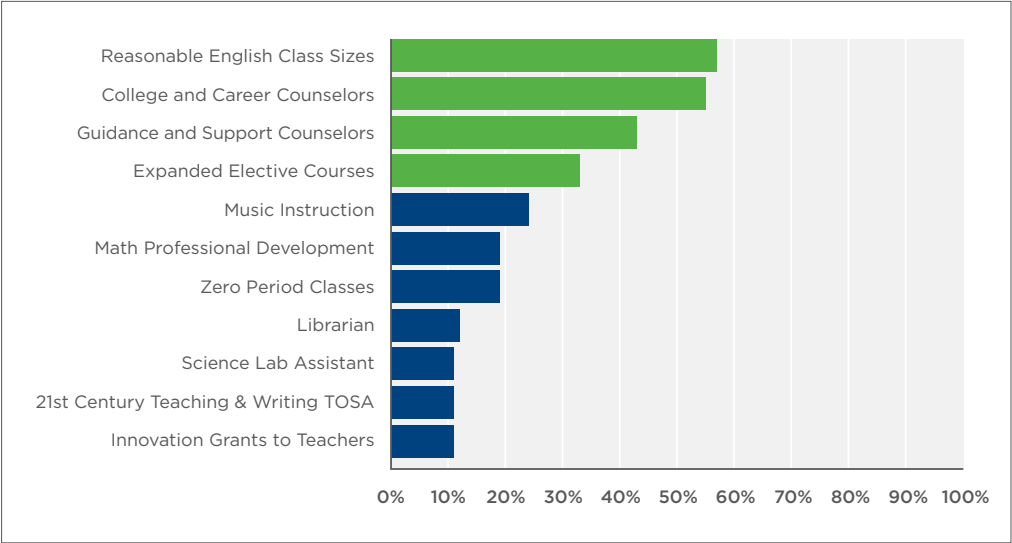

## SECONDARY PRIORITIES

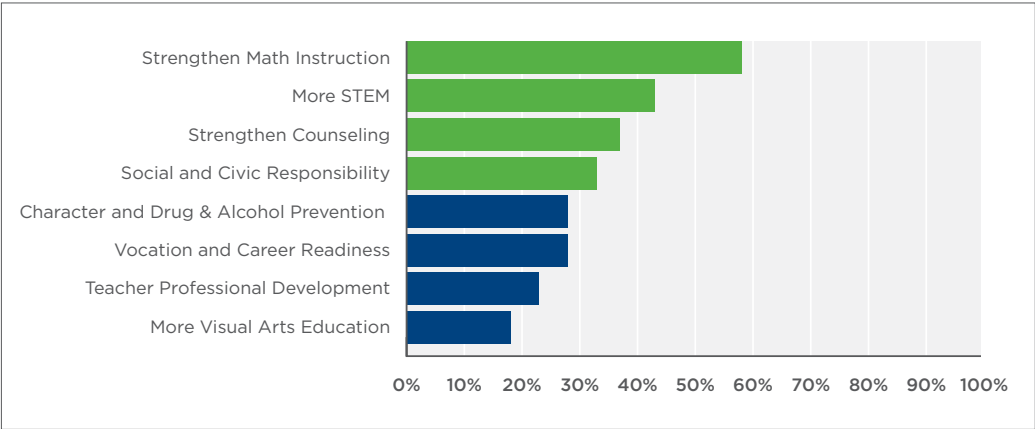

Parents and teachers at MBMS reported that Reasonable Class Size in English, STEM Classes, Counseling, and Music Instruction are the most important programs that are currently funded by MBEF at the Middle School.

Mira Costa parents and teachers prioritized Counseling, Reasonable English Class Size, and Expanded Elective Courses as their highest priorities of current MBEF grants.

When asked what new programming MBEF should focus on, parents and teachers of 6th – 12th graders prioritized the need to Strengthen Math Instruction, offer more STEM Classes, Strengthen Counseling, and provide programs that focus on Social and Civic Responsibility.

All of the above priorities were considered in the funded programs described on the following pages.

# CHANGES IN FUNDING FOR 2016/2017

Below are shifts in MBEF funding that you will observe across the District. These changes represent a reallocation of last year's grants and are not associated with new funding.

## **College and Career Counselor Expansion**

College is on the mind of every high school student and parent. In addition to funding the Guidance and Support Counselors, MBEF is expanding funding for the College and Career Center (CCC) by increasing this grant to support after-school hours. This year, CCC staff will provide resources and expertise from 7:30am until 7:30pm.

## **Math Professional Development K-12**

Our District has received feedback from teachers and parents on the efficacy of the math professional development program during the transition to Common Core. This grant helps continue the work we have done over the past two years by connecting our District with Teacher Leaders who provide best practices and coaching for teachers. All math teachers will benefit from professional development from Stanford University over the summer, and continued support from Stanford, UC Irvine and UCLA throughout the year.

## **MBMS Math Teacher and Coach**

One of the challenge points for our students has been the transition from elementary to middle school math. To support Common Core implementation at the secondary level, MBEF is funding a short-term position that will provide greater collaboration, expertise and guidance. This teacher will serve as a 6th grade math teacher and as a coach for other teachers, thereby reducing the ratio of students to teachers at this critical juncture.

## **MBMS Social-Emotional Health Leader**

Middle School students need additional support in learning how to make good choices that will support lifelong success. The research-based Second Step program funded by Beach Cities Health District, coupled with an additional leader at MBMS to support its implementation, will ensure that we are helping our students develop essential communication, coping and decision-making skills.

## **Project Lead the Way/STEM**

Last year our District launched Project Lead the Way (PLTW) in grades K-8. This year, Mira Costa will introduce innovative hands-on STEM programming. PTLW has transformed the way our children engage with STEM and innovation, empowering students to identify problems, find unique solutions and lead their own learning.

## **Social Inclusion Grants – Sponsored by the Clinton Family**

Last year, the home of a local Manhattan Beach family, the Clintons, was fire bombed in what many considered to be a terrible hate crime. Many people donated funds towards a reward to find the perpetrator. As current events around our nation attest, we still have work to do to bridge the racial divide. For the 2016/17 school year, the Clintons are directing the unclaimed reward funds to MBEF to create viable programs that will inspire change and nurture a productive and honest dialogue in our schools. MBUSD students and teachers are encouraged to apply for the small grants to introduce programs that will focus on celebrating and respecting diversity — racial, ethnic, religious, sexual, economic and cultural.

## **Shift from Teachers on Special Assignment (TOSA) to Teacher/Coach Model**

Our TOSAs have historically provided specialized coaching in academic areas that required more attention and growth, such as literacy, science, technology and 21st Century Teaching and Learning. Current best practices and teacher feedback indicate that modeling teaching practices in a “demonstration lab” is key to building a teacher’s capacity in the classroom. This new model also creates a better system through which our District can provide teachers with pathways for growth, without taking our best teachers out of the classroom. This year our teacher/coaches will support the implementation of Common Core Math, Technology, and Next Generation Science Standards.

## **Teachers Driving Innovation (TDI) Grants Expansion**

Through directed funding from Chevron and nearly 100 donors at the 2016 Wine Auction Paddle Raise, MBEF will be expanding the TDI Grant Program to additional teachers throughout our District. Each TDI grant (\$500-\$6,000) gives our educators an opportunity to exercise their passion for teaching, develop ideas, collaborate with colleagues, and connect with the wealth of knowledge, expertise and talent within MBUSD.

## **21st Century Teacher Leader/MakerSpace**

As the interest and need for STEM curriculum continues, this grant allows for a Teacher Leader, dedicated to helping the District integrate a dynamic MakerSpace curriculum in grades K-5 at all elementary sites. The underlying goal of a successful MakerSpace is to empower students to see themselves as inventors, builders and creators, and to learn problem-solving through trial and error. Having one District-wide lead will create synergy between the school sites and provide an opportunity for all K-5 students to explore the hands-on benefits of MakerSpace.

# MBEF FUNDED PROGRAMS

## 2016/17 SCHOOL YEAR — \$5.8M IN GRANTS

### DISTRICT-WIDE PROGRAMS:

- Data Evaluation and Program Assessment
- Math Professional Development (Stanford, UCI, UCLA)
- Music Teachers (44%)
- Social Inclusion Grants - Sponsored by the Clinton Family
- STEM - Project Lead the Way
- Teacher of the Year Stipends - Sponsored by the Nickell Family
- Teacher on Special Assignment - Literacy and Writing
- Teachers Driving Innovation Grants

### ELEMENTARY:

- Artist in Residence Programs (small grant to subsidize PTAs)
- Class Size Reduction K-3
- Library Specialists
- Math Teacher and Leader
- Physical Education Teachers
- Reading Specialists
- Science Teachers - Project Lead the Way
- Teachers on Special Assignment - Technology
- 21st Century Teacher Leader (focused on MakerSpace)

### MIDDLE SCHOOL:

- Class Size Reduction
- Electives (Art, Drama, Fab Lab, Film, Etc...)
- Extra Period Classes
- Guidance and Support Counselors
- Library Specialist
- Math Teacher and Coach
- Next Generation Science Standards Teacher Leader
- Social-Emotional Health Leader
- STEM (additional classes to meet demand)

### HIGH SCHOOL:

- Class Size Reduction
- College and Career Counselors (new extended hours)
- Extra Period Classes
- Guidance and Support Counselors
- Librarian
- Next Generation Science Standards Teacher Leader
- Science Lab Assistant

# ABOUT OUR GRANTS

## DISTRICT-WIDE: \$836,600

### **Data Evaluation and Program Assessment: \$104,000**

How well do our programs work? What shifts could we make in math, counseling and writing to strengthen our academic outcomes? The Director of Evaluation and Program Assessment gives our District and MBEF the capacity to assess our programs, provides our educators with the data they need for improvements, and supports our ability to make strategic data-backed funding decisions.

### **Music: \$435,000**

Music, math and science achievement go hand in hand. MBEF funds 44% of music instruction K-12, and as a result, the music program at MBUSD has experienced phenomenal growth and success. All students in grades 1-5 receive weekly music instruction, which forms the foundation for our award-winning middle and high school programs. The opportunity to discover music at a young age may help a student discover a passion or talent, and has been proven to strengthen language development, increase IQ, improve spatial temporal skills and nurture responsibility and teamwork.

### **Social Inclusion Grants – Sponsored by the Clinton Family: \$32,600**

Please see Changes in Funding (page 10).

### **Project Lead the Way/STEM: \$100,000**

Please see Changes in Funding (page 9).

### **Teacher of the Year Stipends – Sponsored by the Nickell Family: \$4,000**

Each year MBUSD recognizes one teacher from each school site as the Teacher of the Year, and one of those teachers is selected as the District-wide Teacher of the Year. With this grant, made possible by an endowment fund sponsored by the Nickell Family, MBUSD's seven Teachers of the Year will receive a monetary reward. This is an exciting opportunity to award the teachers who do so much for our children every day.

### **Teacher on Special Assignment (TOSA)/Literacy and Writing: \$111,000**

There have been significant changes in the manner in which we teach writing and literacy in schools throughout our country. In every grade, what is taught is as important as how it is taught. MBEF funding helps ensure that each child's curriculum keeps pace with the changing world by funding a TOSA to lead continuous improvement efforts throughout the District in this important area of growth.

### **Teachers Driving Innovation (TDI) Grants Expansion: \$50,000**

Please see Changes in Funding (page 10).

## **ELEMENTARY: \$1,608,300**

### **Artist in Residence Program: \$25,000**

Elementary students are introduced to cultural and performing arts through a 10-lesson 'residency' program presented by guest artists, and supported by school site PTAs. Each residency meets the stringent California Visual and Performing Arts Standards, and reinforces classroom learning by tying to a unit of study or theme within each grade's curriculum. The Artist in Residence program enhances classroom learning, strengthens students' creative and artistic skills, builds confidence, and broadens student exposure to a diverse array of experiences through the performing arts.

### **Class Size Reduction - Additional Teachers K-3: \$111,000**

Class size reduction continues to be a top priority for parents and teachers. With recent adjustments to California's Local Control Funding Formula, directed funding from the state allows MBEF to focus its attention to other pressing needs. MBEF is continuing its commitment to keeping our class sizes low, and will help supplement state funding to the extent necessary. Our K-3 classrooms throughout the District are set at a maximum of 24:1.

### **Library Specialists: \$202,800**

Having access to a school library provides endless discoveries for students. This grant funds five Library Specialists – one for each of our five elementary schools. Library Specialists ensure that our school libraries are open for every student every hour that school is in session. The Specialists maintain the libraries and work with all grade levels to help our students learn research and media literacy skills.

### **Math Teacher/Coach; \$50,000**

Please see Changes in Funding (page 10).

### **Math Professional Development with Stanford and UCLA Center X: \$41,000**

Please see Changes in Funding (page 9).

### **Physical Education Teachers: \$239,200**

MBEF is proud to support credentialed physical education teachers at our five elementary schools. PE teachers provide 100 minutes of high quality physical education and sportsmanship each week to all students in grades 1-5. Research shows that physical activity can help children improve their concentration, memory, and classroom behavior, in addition to the physical health benefits.

### **Reading Specialists: \$395,300**

From Kindergarten through third grade, children learn to read, and then they read to learn. Reading competency and comprehension ensures our students are on the right track for learning. This grant funds five credentialed teachers who work with students to increase reading proficiency for children at all reading levels. The Reading Specialists also work with all elementary teachers to promote high quality reading instruction and individualization for all students in the elementary schools.

### **Science Specialists/Project Lead the Way: \$389,000**

This grant funds five credentialed Science Specialists who provide all elementary students with hands-on lab experience and project-based learning opportunities that strengthen students' passion for science. All five teachers have participated in the Project Lead the Way training and will continue to infuse the curriculum with more hands-on STEM projects that are better aligned with Next Generation Science Standards.

### **Teacher on Special Assignment (TOSA), Technology: \$100,000**

Our students have access to technology in the classroom K-12. To ensure that technology is being used effectively, this grant funds an experienced Teacher on Special Assignment (TOSA) who will implement best practices and support teachers to integrate technology into instruction at the elementary level.

### **21st Century Teacher Leader/MakerSpace: \$55,000**

Please see Changes in Funding (page 10).

## **MANHATTAN BEACH MIDDLE SCHOOL: \$1,320,200**

### **Class Size Reduction - Additional Teachers: \$284,200**

Through this grant, MBEF provides additional funding to ensure class sizes are smaller at MBMS. Smaller classes allow our teachers to provide students with more individualized attention and more frequent feedback and instruction.

### **Counselors: \$379,000**

MBEF funds 100% of Counseling and the Student Academic Support (SAS) Program at MBMS. Counselors play an essential role for all students in academic guidance, personal counseling and life planning. When a child needs help with scheduling, classes or social issues, an advisor is always there, operating on the front lines.

### **Electives (Fab Lab, Drama, Art, Film, Etc...): \$181,000**

One of the hallmarks of an excellent school is its ability to inspire students through a variety of innovative electives. Our enhanced Wheel program offers middle school students a range of electives, including Computer Application, Fab Lab, Visual Arts, Film-making, Journalism and Drama classes.

### **Extra Period Classes: \$74,000**

This grant enables MBMS students to add an additional period so those who are involved in extracurricular activities can fulfill course requirements, as well as benefit from additional elective courses.

### **Library Specialist: \$53,300**

Having access to a school library provides students with endless opportunities for discovery. MBEF supports a full-time Library Specialist to ensure that the MBMS Library is open every hour that school is in session. The Specialist maintains the library and works with all teachers to help our students learn research and media literacy skills.

**Math Professional Development with Stanford and UC Irvine: \$25,000**

Please see Changes in Funding (page 9).

**Math Teacher and Coach: \$103,000**

Please see Changes in Funding (page 9).

**Social-Emotional Health Leader: \$130,000**

Please see Changes in Funding (page 9).

**STEM Elective: \$67,700**

In 2015/16 we added three additional units of STEM at the Middle School. In previous years, there was an average of 100 students, each year, who were not able to participate in a STEM class. Through your support and feedback, every child who applied to take a STEM course has been able to participate.

**Teacher/Coach: Next Generation Science Standards: \$23,000**

Please see Changes in Funding (page 10).

# **MIRA COSTA HIGH SCHOOL: \$2,006,500**

## **Class Size Reduction - Additional Teachers: \$153,500**

Through this grant, MBEF provides additional funding to ensure class sizes are smaller at Mira Costa. Smaller classes allow our teachers to provide students with more individualized attention and more frequent feedback and instruction.

## **College and Career Counselors: \$285,000**

MBEF funds 100% of 2.5 full-time College and Career Counselors and one assistant devoted to helping high school students navigate the often overwhelming college application process. This funding ensures that our students apply to, and attend inspirational institutions around the world. As noted in the Changes in Funding on page 10, the College and Career Center will expand its hours for this coming year.

## **Extra Period Classes: \$611,000**

This grant enables Mira Costa students to add an additional period so students who are involved in extracurricular activities can fulfill course requirements, participate in AP classes, and take additional elective courses. More than 40% of MCHS students take advantage of an additional period each day.

## **Guidance and Support Counselors: \$735,000**

MBEF funds the Counseling and Student Academic Support (SAS) Program at Mira Costa. Counselors play an essential role for all students in academic guidance, personal counseling and life planning. When most schools have drastically reduced counselors, our ratios have improved to 263:1. The California average is 900:1. In addition to SAS counselors, students have access to College and Career Counselors.

## **Librarian: \$115,000**

MBEF supports a full-time credentialed Librarian at Mira Costa. In addition to overseeing the library's collection, the Librarian maintains the Technology Research Lab and works with all teachers to help our students learn research and media literacy skills.

## **Math Professional Development with Stanford and UC Irvine: \$25,000**

Please see Changes in Funding (page 9).

## **Science Lab Assistant: \$59,000**

The Science Lab Assistant at Mira Costa supports science teachers by making lab instruction organized, efficient and innovative. In our state-of-the-art Math and Science building, the Lab Assistant helps teachers to strengthen students' learning through hands-on projects and instruction.

## **Teacher/Coach: Next Generation Science Standards: \$23,000**

Please see Changes in Funding (page 10).

# IMPRESSIVE RESULTS

Despite limited funding from the state, MBUSD outcomes speak for themselves. MBUSD is among the top K-12 school districts statewide and our students gain access to a rich and diverse curriculum. We host California Teachers of the Year (2014 and 2015), award-winning Model UN and Theater programs, Grammy award-winning Mira Costa Music program, Distinguished, Gold, Blue, and Green Ribbon Schools...the list goes on.

There is no question that our schools and our students excel because we have an engaged community that is willing to invest time and money into our children's education and future.

MIRA COSTA IS RANKED IN THE  
TOP 1% OF U.S. PUBLIC HIGH SCHOOLS  
BY NEWSWEEK AND US NEWS  
AND WORLD REPORT.

# THE MBEF ENDOWMENT

## GREAT SCHOOLS TODAY, GREAT SCHOOLS FOREVER.

MBEF is one of the few education foundations with an endowment that provides a sustainable funding source to enhance the quality of our public schools for generations to come. The MBEF Endowment protects our schools from the erratic fluctuation of state funding by creating a long-term, secure funding source. Monies are donated, placed in a fund and invested to generate income on an ongoing basis, while the original investment (principal) remains untouched. Through ongoing contributions and prudent fiscal management, the MBEF Endowment principal has grown to more than \$13M. In 2016, the Endowment disbursed \$300,000 to fund MBEF programs for the 2016/17 school year.

We are grateful to the many donors who have supported the Endowment, and to our current and former volunteer Board and Investment Committee members whose expertise and guidance have helped us reach new milestones.

All 2015/16 Endowment donors are included in the Honor Roll on pages 21-52, as well as the MBEF Endowment website.

To learn more about the MBEF Endowment, please visit [www.endowment.mbef.org](http://www.endowment.mbef.org) or call us at **310.303.3342**.

# THE ADVENTURE BEGINS

**2016 Mira Costa grads are attending over 180 colleges and universities in 37 states and 4 countries.** Great schools and great matches. MCHS College and Career Counselors are fully funded by donations to MBEF.

# MATCHING GIFT PROGRAM RAISES \$330K FOR MBEF

We are truly grateful for the generosity of the following businesses and corporations for donating to MBEF through their Employee Matching Gift Program. Many companies, big and small, provide matching gift programs through which they support the organizations and causes their employees believe in. Thanks to you for believing in MBEF, and to these employers for standing with you!

# 2015/2016 BUSINESS SPONSORS AND REAL ESTATE PARTNERS

The support of our local businesses is one of the reasons that Manhattan Beach is among the best places in the country to live, work and learn. When businesses invest in our schools, they make our community better for everyone. Please support these businesses to thank them for their investment in our schools.

# MANHATTAN WINE AUCTION

We would like to thank the following sponsors for their incredibly generous support of the 2016 Manhattan Wine Auction. The Wine Auction is MBEF's only annual fundraising event and this year netted over \$1.1M to support MBEF in just one night! We are also truly grateful to all of the wine donors, auction donors, and in-kind donors who contributed to the success of the event.

*For a complete listing of the 2016 Wine Auction supporters, please visit [www.manhattanwineauction.com](http://www.manhattanwineauction.com).*

## MBEF MISSION STATEMENT

The Manhattan Beach Education Foundation is a community driven fund raising organization, which supplements state funding for programs that inspire learning, enrich teaching, and promote innovation and academic excellence in the public schools of Manhattan Beach.

## MBEF ENDOWMENT MISSION STATEMENT

MBEF Endowment provides MBEF with a continuing and sustainable funding source that will expand and enhance the quality of public education in Manhattan Beach, now and for generations to come.

.....

All donations to MBEF and MBEF Endowment are tax-deductible to the extent allowed by law. For more information, please visit [www.mbef.org](http://www.mbef.org) or contact our team at **310-303-3342 / [questions@mbef.org](mailto:questions@mbef.org)**.

.....

MBEF is among a leading group of organizations that have attained a 4-star rating from Charity Navigator.
