Purpose or Objective of Project (1-2 Sentences):
Amount Requested:
Name(s) of Applicant(s):
Email of Primary Contact:
Phone of Primary Contact:
School:
Grade Level(s):
Number of Students Participating:
Cost per Student:
<i>For the questions below, please feel free to attach up to 3 pages to this cover sheet or use the boxes below:</i>
Project Description: Describe the proposed project. What are your objectives and how will you achieve them? How is this project innovative or creative? How is the project aligned with district and school goals?
Collaboration: Please list collaborators and each individual's responsibilities. We encourage collaboration among teachers, administrators, parents, counselors, community and staff.
Materials or Technology: Please list the specific materials you will need to purchase, and their costs. For technology grant applications, please describe how the technology is innovative and new to the district and compatible with the school's network.
Timeline: Dates of project activities and tasks.
Budget: Describe in a few sentences how the requested funds will be used. Then, provide an itemized list of materials and expenses.
Sustainable or Replicable: Is the project sustainable or replicable in the future?
Evaluation Plan: Describe expected student outcomes and your proposed method for evaluating the project.

**SOCIAL INCLUSION GRANTS
2021-2022
GRANT APPLICATION**

All Social Inclusion Grant submissions by students, parents, and community members must have a teacher sponsor the proposal and have Principal approval for the program at the school site. This is to make sure there is proper infrastructure to successfully implement the idea.

Name(s) of Teacher Sponsor(s):

Name of Approving Principal:

Questions? Please contact the Social Inclusion Grants Committee at inclusiongrants@mbef.org or Hilary Mahan, MBEF Executive Director, at 310.303.3342 or hilary@mbef.org.
